

Nivek Catering Supplies are one of very few regional distributors who can offer a complete range of environmentally friendly products. From bio-degradable packaging, through to 100% recycled refuse sacks

The FPA Service Excellence Award is based on customer satisfaction questionnaires. We have been lucky enough to have won the converted award two consecutive times. Nivek have been awarded the Telesales Excellence Award twice

Welcome to Nivek Catering Supplies, one of the UK's fastest growing independent distributors and the South East's leading provider of catering supplies: whatever your requirements our dedicated and enthusiastic team will deliver a comprehensive solution!

Nivek is a well established partner for caterers across the region, delivering a reliable and high quality customer service from a comprehensive branded and Nivek own label product range. Our experienced representatives have extensive product knowledge and provide exceptional support and guidance for our customers. We extend our service to sourcing products beyond our featured range. Nivek's outstanding personal service ensures our company stands out from competitors.

Catering Supplies Ltd

Our customers are important to us, that is why we are so flexible, we make ordering easy, whether through a representative calling, our telesales, email or fax, we can guarantee a prompt, efficient and competitive service. Browse through our website to see the extensive product range we feature, from Disposable and Hygiene products to Glass and Tableware. If you would like to discover more, please contact our sales office.

In May 2008 Nivek Catering Supplies, along with eight other independent distributors, formed the Socius Network

the SOCIUS network
The Socius Network is an association of well respected and established independent distributors covering all of the UK who seek to promote the benefits of purchasing goods and services together. In turn this allows the members to offer the highest standard of service at the most competitive price
